Sowing the Seeds of Grassland Restoration
CNGA's 30th Anniversary Celebration

Online Program: 8:30 am – 3:30 pm *Login Begins at 8am

CNGA and Hedgerow Farms are partnering for the 14th year to offer this opportunity to learn about new perspectives on grassland restoration, current research, and best practices in California's spectacular native grasslands. We will take you through the restoration process: from wildland seed collection through farm production to tours of restored field sites.

Follow the life of a seed from wildland seed collection to farm production

- Seed collection with **Jeff Quiter**, Hedgerow Farms and **Tanya Meyer**, Yolo Co. RCD
- Farm production: planting harvesting, processing with **Pat Reynolds**, CNGA, and **Bryan Young**, Sacramento Regional Co. Sanitation District

Seeds of restoration: Where are they now? Tour the state with virtual "show and tell" site visits and presentations

- Dos Rios Ranch with **Stephen Sheppard**, River Partners
- Southern California grassland restoration with **Robert Freese**, Irvine Ranch Conservancy/Orange County Parks, **Megan Lulow**, UC Irvine, **Collin Raff**, Irvine Ranch Conservancy
- Russell Ranch, UC Davis, Yolo County with **JP Marié**, Manager, UC Davis Putah Creek Riparian Reserve
- A look at a native grassland meadow for a residential landscape five years after install with **Billy Kimmel**, Founder and President, Miridae Landscape Architecture and Construction
- Soil structure with **Vic Claassen**, Soil Scientist, UC Davis Department of Land, Air and Water Resources
- **Valerie Eviner**, Professor, Department of Plant Sciences, UC Davis
- Post-fire restoration of coastal range grasslands with **Michelle Halbur**, Ecologist, Pepperwood Preserve, Sonoma County

Lightning talks with CNGA Leaders, past & present

- Perspectives on the past and future of grasslands conservation and restoration
